TEA LEAVES, HERBS AND FLOWERS

Hot	Iced
14	17

Black Tea

Royal English Breakfast

A stout combination of Kenilworth Ceylon (Sri Lanka) and Kenya Milima (Africa) black teas makes a smooth, full-bodied brew. Delicious on its own or with milk and sugar.

Black Tea Blend

Peach & Ginger:

This Chinese Black tea blend combines the irresistible flavours of fresh peaches with the 'zing' of ginger. Enjoy it hot or iced.

White Tea Blend

Winter White Earl Grey

Beautiful Chinese Mutan White tea forms the base of this blend, providing light floral elements and a delicately grassy note. Natural lemony bergamot oil gives deep, multifaceted citrus qualities to the blend. A pleasant blend perfect for enjoying whenever the wish for something a bit different strikes.

Green Tea Blend

Green with Coconut, Ginger & Vanilla:

The rich flavours of Bangkok, Thailand are the inspiration for this tasty blend that combines green tea, lemongrass, vanilla, coconut, and ginger.

Matcha Iri Genmaicha

Matcha is a much beloved green tea in Japan, yet it can seem intense to the uninitiated ones. As an alternative, we suggest Matcha iri Genmaicha, the best of both worlds. The bancha ("cha") leaves and brown rice ("genmai") that comprise Genmaicha are coated with Matcha green tea powder, and the result is fantastic!

Herbal

African Autumn

The base of African Autumn, our popular herbal blend, is rooibos, a legume also known as 'red bush' native to South Africa. Loaded with antioxidants, people love the brightness of the rooibos accented by cranberry and citrus.

Yellow & Blue

Yellow and Blue is a sun-soaked floral mélange of Egyptian chamomile, French lavender and blue cornflowers. This pleasant aroma and herbal properties will soothe your senses and relax you.

Peppermint Herbal

Our marvellously brisk Peppermint comes from beautiful Oregon farms in the USA, and the leaves produce a wonderfully aromatic and crisp tasting tisane. We find a cup of Peppermint can also get a pesky stomach under control in no time.
