The Datai Well-being Series

Dr Rafael Bagheri  
Chiropractor  
6 - 12 February

**DR RAFAEL BAGHERI**  
**Chiropractor**

Dr Rafael Bagheri draws on more than 16 years of experience working alongside physicians and other health care professionals in numerous multidisciplinary settings with hands-on therapy and clinical chiropractic practices, and has been a corporate wellness speaker for over a decade.

An advocate in utilising different treatment approaches, Dr Bagheri's expertise includes spinal manipulation, muscle release technique, and other modalities to create personalised individual care.

**Visit Dr Rafael Bagheri for a complimentary  
10 minutes consultation at The Spa**

**PATIENT TREATMENT**  
**(30 mins) - MYR395\***  
**(60 mins) - MYR695\***  
**at The Spa or in-room**

The treatment combines elements of soft tissue therapy, fascial stretch therapy, spinal mobilization and manipulation. Each treatment is different and tailored to the individual patient. Guests should expect a lot of soft tissue muscle work as part of their treatment.

Full hour is recommended for whole body treatments, and thirty minutes for upper or lower body.
