

THE DATAI  
LANGKAWI

JOYOUS IN  
PARADISE

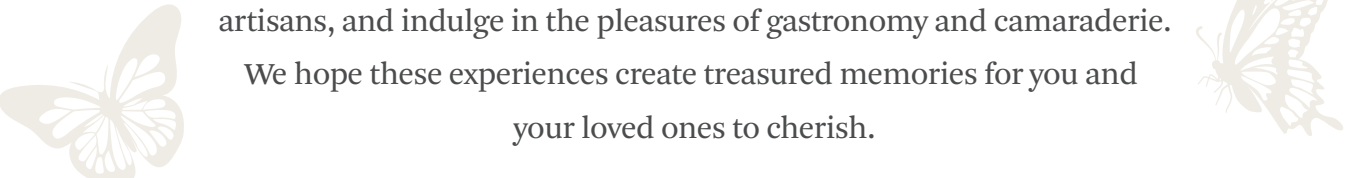

As we embrace the festive season, we reflect with gratitude and joy on the moments shared throughout the past year. To celebrate this time of togetherness, we have curated a special selection of events and activities to elevate your experience as we conclude the year.

Our offerings invite you to immerse yourself in the enchanting beauty of our rainforest, celebrate and support the craftsmanship of local artisans, and indulge in the pleasures of gastronomy and camaraderie.

We hope these experiences create treasured memories for you and your loved ones to cherish.

Reflecting on our commitment to service and excellence, we recognise that true joy and celebration are rooted in the meaningful connections we share with each of you. Whether this is your first visit or one of many, it is our privilege to welcome and serve you and we look forward to continuing this enriching journey together in the years to come.

Wishing you a festive season filled with warmth, peace, and joy, and may the New Year bring you abundant health and happiness in 2025!

Kind regards,

**Stéphane Duvacher**

**OCEAN'S DRIFTERS**

---

Have a glimpse of the sea's microscopic world with our Marine Biologist. The ocean is the largest biome on Earth. Places like coral reefs are teeming with life, almost like a metropolis when snorkeling above them. We may be swimming in a clear, 'lifeless' water body, but a closer examination under a microscope will show you just how busy the micro world is. These microscopic beings are incredibly vital to ocean life, as the existence of larger marine animals are only made possible by extremely tiny organisms.

HOLISTIC - PRIVATE CLASSES

---

THERAPEUTIC - WITH MOOZA

---

**Meditation and Pranayama**

This class will share introductory meditation techniques and practices, allowing the meditator to observe and quiet the mind, moving towards a state of deep relaxation and mental clarity. Pranayama consists of ancient breath techniques with different styles and durations, used to assess various emotional, mental, and physical states.

**Sound Healing**

An immersive meditation and deep relaxation experience through the vibration and sound of the gongs, singing bowls, and other instruments.

**Kundalini Yoga**

A practice that uses a combination of breath regulation, repetitive poses, eye-focus, mudras (hand posture), and meditation. While physical movements are key, the primary focus is the observations inward, sensations, and awareness.

**Restorative Yoga with Gong Relaxation**

A restful practice that is all about slowing down and opening your body through passive stretching. Asanas (yoga poses) are held for a longer duration using props like yoga blocks, blankets, and bolsters.

*All private classes are 60 minutes and chargeable at MYR 380 for single, MYR 550 for couples, and MYR 170 for additional person, subject to a 10% service charge. Advance booking is required.*

YOGA - WITH DOROTHY

---

**Hatha Yoga**

A practice using a slower pace, controlled movements, static holds, and stretching through the connection of breath. Great for balancing the body and mind – helping to enhance strength, flexibility, and balance.

**Flow Yoga**

Involves linking yoga poses together to form a flowing sequence in the form of moving meditation. Focuses on the connection between breath, movement, and the mind which helps to build body awareness and balance.

---

PILATES - WITH ANN

---

**Flow Pilates**

Flow is the quality of movement in Pilates to create a sense of postural awareness. It emphasises a fluidity of movement through the core activation with gentle, controlled, and lengthening movements.

**Mini Ball Pilates**

The mini ball helps increase core activation, target specific muscle groups, improve flexibility, and enhance postural alignment by bringing instability to movements.

**Spine Corrector Pilates**

The spine corrector provides support to open the chest and restore the spine's natural curvature throughout various Pilates mat exercises. Helps with common postural complications, shoulder and back pain, and muscular atrophy.

*All private classes are 60 minutes and chargeable at MYR 380 for single, MYR 550 for couples, and MYR 170 for additional person, subject to a 10% service charge. Advance booking is required.*

### **Personal Training**

Begin with an initial consultation on your personal health goals and experience a tailored fitness session designed to meet your specific needs, ensuring that you receive personalised guidance and support every step of the way.

### **Kettlebell Conditioning**

Get your heart pumping and your muscles moving with our trainer-written kettlebell workout packed with total-body exercises to improve overall strength, core power, balance, flexibility, and coordination while also melting fat and sculpting healthy and lean muscles.

### **Beach Bootcamp**

This session focuses on total-body training with modifications tailored for all levels to incrementally improve strength and cardio endurance while enjoying the magnificent views of Datai Bay. The additional resistance of sand under your feet will challenge you to progress toward your fitness goals.

### **Muay Thai Kickboxing**

A combination of two most popular martial arts disciplines. This combination creates a wide variation of stand-up striking techniques and fighting styles. It makes good use of coordinated footwork, twisting, and using kicks to achieve well-toned abs, balance, and improved metabolism.

### **Fight Conditioning**

A mixed interval workout that combines bodyweight exercises with Muay Thai kickboxing combinations and includes a variety of training, ranging from cardio to strength and power training. It helps develop a balanced fighter's body, lowers blood pressure, and reduces stress on the blood vessels.

### **Shadow Boxing**

A combat sport exercise in which a person throws punches in the air as though there is a shadow opponent. It is used mainly to prepare the muscles before the person in training engages in stronger physical activity. It helps you to refine techniques, strengthen muscles and maintain overall fitness.

*Private fitness sessions are available upon advance reservation. All private classes are 60 minutes and chargeable at MYR 300 for single, MYR 450 for couples, and MYR 150 for additional person, subject to a 10% service charge.
